

ENT

CONGRESS 2009

CAPE TOWN • SOUTH AFRICA
1 - 4 NOVEMBER 2009

THE ACADEMIC PROGRAMME

The Congress theme for 2009 is "EXPANDING OUR HORIZONS". This is meant in every sense: beyond geographical, disciplinary, technical, and mental boundaries. It is exciting to have been able to attract several world-class pioneers and innovators in ENT, Audiology and Speech Therapy from across the globe to speak on a variety of subjects that will expand your skills and challenge your mindset. Watch our website as the academic programme unfolds!

INTERNATIONAL SPEAKERS

We are sure you will be as delighted as we are to welcome the following truly international group of exciting speakers to Cape Town 2009:

George Browning; Michael Johns III;
Karl-Bernd Hüttenbrink; Thomas Linder;
Valerie Lund; Tony Narula; Dave Pothier;
Nic Roland; Muaaz Tarrabichi
and Robert Vincent!

PRE-CONGRESS WORKSHOP

Prof Browning has kindly agreed to offer us his renowned short course on Levels of Evidence and Critical Evaluation of the Literature. This is highly recommended for academics, would-be academics, trainees and anyone who believes in keeping up to date!

LOCATION

Bustling and beautiful, Cape Town offers a multitude of experiences. From pristine coastlines and a magnificent countryside with a unique floral kingdom, to shopping for all tastes, restaurants, jazz cafes, fleamarkets, theatres and nightclubs, Cape Town appeals to the nature-lover and the nightcrawler!

CALL FOR ABSTRACTS

Please visit the website to submit an abstract.
Deadline date: 30th June 2009

ACCOMMODATION

Block bookings at a range of nearby hotels with special rates to suit all budgets will be made available to Congress delegates.
