

Tembisa

Tembisa is a large township situated to the north of Kempton Park on the East Rand, Gauteng. The hospital is approximately 30 km from Pretoria CBD and 23.5 km from O.R. Tambo International airport.

Speech Therapy & Audiology department:

We have a small but busy department. We see all patients in need of our services living around Tembisa hospital, as well as all patients referred to us through the hospitals and surrounding clinics.

We work with the community and treat a variety of speech and audiological conditions.

The community service therapist will get the opportunity to participate in:

- CP and Developmental Delay clinics
- Treatment of hospital in-patients (pediatric and adult patients)
- Speech therapy for out-patients incl. language, articulation, voice and neuro patients.
- Audiological assessment of pediatric and adult patients
- Audiological management of all patients including hearing aid fitting and aural rehabilitation therapy
- Provincial workgroup of their choice
