

Chiawelo Community Health Centre

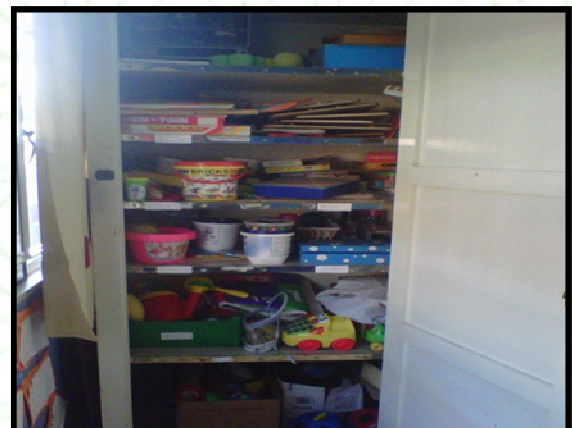

Catchment areas includes
Chiawelo, Senoane, Pimville,
Dlamini and Naledi

Chiawelo CHC is situated about 25 km from Johannesburg CBD.

The same speech therapist that works at Mofolo CHC also renders services at Chiawelo CHC, which also have a rehabilitation team consisting of an Occupational Therapist, Occupational Therapy Assistant, Physiotherapist and Physiotherapy Assistant. At Chiawelo CHC, Speech Therapy services are available at the clinic on Mondays and Thursdays. As at Mofolo CHC, similar patients are managed in a multidisciplinary team or in individualized therapy. Both Chiawelo and Mofolo CHC's have the same equipment available and outreach programmes and home visits are conducted on a monthly basis (see opposite page for more detail).

Working in the community setting means getting in touch with the community in many ways...
