Become a part of a ground-breaking programme in Gauteng and the Western Cape - *Hi Hopes* - First Early Intervention Programme aimed at providing home-based support to families of deaf and hard of hearing babies. The very core of the *Hi Hopes* programme is a collaborative partnership between the family and the Early Interventionist in order to enhance the holistic development of the infant or young child with a hearing loss.

Fax your Curriculum Vitae and a letter of motivation to: 086 729 5595 or email: devilliers.renee@gmail.com. For further information, call Rene on 076 891 8188. Deadline for applications is 2 April 2012.

Training starts 23 April 2012 in Cape Town.
